### Get Golf Ready at Bancroft Ridge Golf Club

What if I told you that you could have 5 golf lessons and 5 rounds of 9-holes for the price of \$149.99? Now you can with the nationally acclaimed Get Golf Ready program that is based on becoming familiar with golf in 5 easy lessons. The first four lessons are based on:

1. Putting: With GGR we always start from the green and work back towards the tee. The putting green is where most new players struggle and where most of the shots can be accumulated. The old saying "Putt for Dough" is as true as it gets!
2. Chipping: We all strive to hit the ball on the green but sometimes this doesn't happen. With the chipping component of GGR we will help provide the tools to get "up and down" from around the perimeter of the green.
3. Iron Play: We will focus on making more consistent contact with our iron shots into the green to eliminate the possible need to chip.
4. Driving: For the beginner golfer, the pressure of that first drive on the first tee can be somewhat nerve racking. We will focus on making good contact with the ball allowing you to "Drive for Show" in front of your peers.

The fifth component of the GGR program will be an on-course lesson which will teach you how to navigate the golf course, golf etiquette and most importantly pace of play.

All of these skills learned can be enhanced through your 5 free 9-hole rounds.

The GGR program is typically run with groups of 4-8 people of all ages and gender. It is meant to be a social and fun way to learn or improve your golf game. Golf is a game that can be played for a lifetime with family and friends. Go find that group of like-minded friends and get registered!
